## 2019 Regence BlueShield of Idaho, Inc. Medicare Supplement (Medigap) Application

### Special Notice

- You do not need more than one Medigap policy.
- If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need multiple coverages.
- You may be eligible for benefits under Medicaid and may not need a Medigap policy.
- If, after purchasing this policy, you become eligible for Medicaid, the benefits and premiums under your Medigap policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medigap policy (or, if that is no longer available, a substantially equivalent policy) will be re-instituted if requested within 90 days of losing Medicaid eligibility. If the Medigap policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the re-instituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- If you are eligible for, and have enrolled in, a Medigap policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medigap policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medigap policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medigap policy (or, if that is no longer available, a substantially equivalent policy) will be re-instituted, if requested within 90 days of losing your employer or union-based group health plan. If the Medigap policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the re-instituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- Counseling services may be available in your state to provide advice concerning your purchase of Medigap insurance and concerning medical assistance through the state Medicaid program, including benefits as a qualified Medicare beneficiary (QMB) and specified low-income Medicare beneficiary (SLMB).
- Your rate may change at the Plan's annual renewal date on March 1, so you may initially see an increase before a 12-month period. Rates are guaranteed not to increase for 12 months after the renewal date.
- Except as required by law, we will not accept payments of premium or other cost-sharing obligations on your behalf from a hospital, hospital system, health care provider or other similar individuals or entities that have or will receive financial remuneration related to Your choice of health care. As permitted by the Centers for Medicare and Medicaid Services (CMS), we will accept premium and cost-sharing payments made on your behalf by the Ryan White HIV/AIDS Program, other federal and state government programs that provide premium and cost sharing support for specific individuals, Indian Tribes, Tribal Organizations and Urban Indian Organizations and as directed by the Idaho Department of Insurance pursuant to Bulletin 16-04.

## Section 4: Notice to applicant regarding replacement of Medigap insurance or Medicare Advantage

Please review this section if you indicated in Section 3 of the application that you intend to terminate existing Medigap coverage or Medicare Advantage insurance and replace it with a policy to be issued by Regence. Your new policy will provide 30 days within which you may decide without cost whether you desire to keep the policy.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that purchase of this Medigap coverage is a wise decision, you should terminate your present Medigap or Medicare Advantage plan. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

### Statement to applicant by issuer, producer (agent)

I have reviewed your current medical or health insurance coverage. To the best of my knowledge, this Medigap policy will not duplicate your existing Medigap coverage or, if applicable, Medicare Advantage coverage because you intend to terminate your existing Medigap coverage or leave your Medicare Advantage plan. The replacement policy is being purchased for the following reason (check one):

- Additional benefits
- No change in benefits, but lower rates
- Fewer benefits and lower rates
- My plan has outpatient prescription drug coverage and I am enrolling in Part D
- Disenrollment from a Medicare Advantage plan (please explain reason for disenrollment)

- Other (please specify)

State law provides that your replacement policy or certificate may not contain new preexisting conditions, waiting periods, elimination periods, or probationary periods. The insurer will waive any time periods applicable to preexisting conditions, waiting periods, elimination periods, or probationary periods in the new policy (or coverage) for similar benefits to the extent such time was spent (depleted) under the original policy.

If you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premiums as though your policy had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded. Do not cancel your present policy until you have received your new policy and are sure you want to keep it.

## Section 5: Medigap protection periods

### Do I need to complete a health statement?

When applying for Plan A, C, Senior Selection (Modified Plan F) or K, you do not need to complete a health statement if any of the following is true. If applying for Plan G or N, a health statement is required for the specific situations as noted below:

1. Your Medicare managed care plan or PACE program coverage ends because the plan is leaving the Medicare program, stops giving care in your area, or you move out of the plan's service area. **Complete the health statement if applying for Plan G or N.**
2. Your employer group health plan coverage ends.
3. Your Medigap insurance company goes bankrupt and you lose your coverage, or your Medigap policy coverage ends through no fault of your own. **Complete the health statement if applying for Plan G or N.**
4. You enrolled in a Medicare Part D plan during your initial enrollment period and were enrolled under a Medigap policy that covers outpatient prescription medications. Please enclose proof of enrollment in Medicare Part D. **Complete the health statement if applying for Plan G or N.**
5. You joined a Medicare Advantage or PACE program when you were first eligible for Medicare Part A (and you're enrolled in Medicare Part B). Within the first year of joining, you want to switch to Original Medicare.
6. You dropped a Medigap policy to join a Medicare Advantage plan, Medicare Select plan, or PACE program for the first time and now you want to leave. You have been in the plan for less than a year. Note: A health statement is not required if you enroll in the same Medigap policy (with the same company) that you had previously.
7. You leave a Medicare Advantage plan or drop a Medigap plan because the company or its representatives haven't followed the rules or misled you. **Complete the health statement if applying for Plan G or N.**
8. You lost medical assistance through the state Medicaid program.

## Section 6: Health statement

Complete this section if you are not applying during your open enrollment period. Your open enrollment period is the six-month period immediately following your 65th birthday or your enrollment in Medicare Part B. ## SECTION 8: Consent to electronic distribution
