Introduction to Summary of Benefits

Thank you for your interest in Regence MedAdvantage + Rx Classic (PPO), Regence MedAdvantage + Rx Enhanced (PPO) and Regence MedAdvantage Basic (PPO). Our plans are offered by Regence BlueShield, a Medicare Advantage Preferred Provider Organization (PPO) that contracts with the Federal government. To get a complete list of our benefits, please call Regence MedAdvantage + Rx Classic (PPO), Regence MedAdvantage + Rx Enhanced (PPO) and Regence MedAdvantage Basic (PPO) and ask for the "Evidence of Coverage".

You have choices in your health care

As a Medicare beneficiary, you can choose from different Medicare options. One option is the Original (fee-for-service) Medicare Plan. Another option is a Medicare health plan, like Regence MedAdvantage + Rx Classic (PPO), Regence MedAdvantage + Rx Enhanced (PPO) or Regence MedAdvantage Basic (PPO). You may have other options too. You make the choice. No matter what you decide, you are still in the Medicare program.

You may be able to join or leave a plan only at certain times. Please call Regence MedAdvantage + Rx Classic (PPO), Regence MedAdvantage + Rx Enhanced (PPO) and Regence MedAdvantage Basic (PPO) at the number listed at the end of this introduction or 1-800-MEDICARE (1-800-633-4227) for more information. What is a prescription drug formulary?

Regence MedAdvantage + Rx Classic (PPO), and Regence MedAdvantage + Rx Enhanced (PPO) use a formulary. A formulary is a list of drugs covered by your plan to meet patient needs. We may periodically add, remove, or make changes to coverage limitations on certain drugs or change how much you pay for a drug. If we make any formulary change that limits our members' ability to fill their prescriptions, we will notify the affected members before the change is made. We will send a formulary to you and you can see our complete formulary on our Web site at www.regence.com/medicare.

If you are currently taking a drug that is not on our formulary or subject to additional requirements or limits, you may be able to get a temporary supply of the drug. You can contact us to request an exception or switch to an alternative drug listed on our formulary with your physician's help. Call us to see if you can get a temporary supply of the drug or for more details about our drug transition policy.

What are my protections in this plan?

All Medicare Advantage Plans agree to stay in the program for a full calendar year at a time. Plan benefits and cost-sharing may change from calendar year to calendar year. Each year, plans can decide whether to continue to participate with Medicare Advantage. A plan may continue in their entire service area (geographic area where the plan accepts members) or choose to continue only in certain areas. Also, Medicare may decide to end a contract with a plan. Even if your Medicare Advantage Plan leaves the program, you will not lose Medicare coverage. If a plan decides not to continue for an additional calendar year, it must send you a letter at least 90 days before your coverage will end. The letter will explain your options for Medicare coverage in your area.

As a member of Regence MedAdvantage + Rx Classic (PPO), Regence MedAdvantage + Rx Enhanced (PPO) or Regence MedAdvantage Basic (PPO), you have the right to request an organization determination, which includes the right to file an appeal if we deny coverage for an item or service, and the right to file a grievance. You have the right to request an organization determination if you want us to provide or pay for an item or service that you believe should be covered. If we deny coverage for your requested item or service, you have the right to appeal and ask us to review our decision. You may ask us for an expedited (fast) coverage determination or appeal if you believe that waiting for a decision could seriously put your life or health at risk, or affect your ability to regain maximum function. If your doctor makes or supports the expedited request, we must expedite our decision. Finally, you have the right to file a grievance with us if you have any type of problem with us or one of our network providers that does not involve coverage for an item or service. If your problem involves quality of care, you also have the right to file a grievance with the Quality Improvement Organization (QIO) for your state. Please refer to the Evidence of Coverage (EOC) for the QIO contact information.

As a member of Regence MedAdvantage + Rx Classic (PPO), Regence MedAdvantage + Rx Enhanced (PPO) and Regence MedAdvantage Basic (PPO), you have the right to request a coverage determination, which includes the right to request an exception, the right to file an appeal if we deny coverage for a prescription drug, and the right to file a grievance. You have the right to request a coverage determination if you want us to cover a Part D drug that you believe should be covered. An exception is a type of coverage determination. You may ask us for an exception if you believe you need a drug that is not on our list of covered drugs or believe you should get a non-preferred drug at a lower out-of-pocket cost. You can also ask for an exception to cost utilization rules, such as a limit on the quantity of a drug. If you think you need an exception, you should contact us before you try to fill your prescription at a pharmacy. Your doctor must provide a statement to support your exception request. If we deny coverage for your prescription drug(s), you have the right to appeal and ask us to review our decision. Finally, you have the right to file a grievance if you have any type of problem with us or one of our network pharmacies that does not involve coverage for a prescription drug. If your problem involves quality of care, you also have the right to file a grievance with the Quality Improvement Organization (QIO) for your state. Please refer to the Evidence of Coverage (EOC) for the QIO contact information.

Where can I find information on plan ratings?

The Medicare program rates how well plans perform in different categories (for example, detecting and preventing illness, ratings from patients and customer service). If you have access to the web, you may use the web tools on www.medicare.gov and select “Health & Drug Plans” then “Compare Drug and Health Plans” to compare the plan ratings for Medicare plans in your area. You can also call us directly to obtain a copy of the plan ratings for this plan. Our customer service number is listed below.
