Introduction

This booklet provides a list of Regence Medicare Script Enhanced (PDP) and Regence Medicare Script Basic (PDP)'s network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Regence Medicare Script Enhanced and Regence Medicare Script Basic's formulary. If you have additional questions, please call our Customer Service Department at 1 (800) 541-8981 from 8:00 a.m. to 8:00 p.m. Monday through Friday. From October 1 through February 14, our telephone hours are 8:00 a.m. to 8:00 p.m., seven days a week. (TTY/TDD Users should call 711.) Or, visit www.regence.com/medicare.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Regence Medicare Script Enhanced and Regence Medicare Script Basic only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.
